### Still Need-

Vice President- We are still in need of a Vice President for the PTA. To be a fully functioning PTA we need all four board member positions filled. If you are interested, you can email us at parkridgeelementarypta@gmail.com It's not scary, we promise, the time we put into the PTA directly affects our kids and brings wonderful things to our school!

## **MUSIC NOTES**

This last month of school will still be a busy one in the music classroom. Students will be learning a couple of new things and demonstrating what they have learned this year. Make this summer a musical one by building your own musical instrument. We will see a couple of ideas in class. Have a wonderful summer!

## **LUNCH NEWS**

The end of the school year is drawing near. It is important that you as parents have enough money on your child's account to get them through the end of May. As of May 8, 2015 the cashier is not allowed to let the children's accounts go into the negative. As of today April 23, 2015 there are 25 more days. Lunch is \$1.90 per day. Please put enough money on their account. Any money that is left on their account will be there for them next year as long as they are still in the Nampa School District.

Also just a reminder if you are interested in qualifying for free or reduced lunch next year, please submit your completed applications to the Nutrition Service Office as soon as you get them to avoid having to pay while waiting for the vast amount of applications to be processed that come in at the beginning of the school year.

## **Third Grade News**
