## MUSIC NOTES

As summer approaches, we are enjoying our last few weeks of music in the classroom for this school year. Take a minute to ask your students what their favorite activity in music was this year. I have enjoyed hearing the student's answers to that question as I have asked them in class. Hopefully this summer your children will be singing, dancing and making music in various ways. I look forward to seeing the students return this fall! Have a WONDERFUL summer break!

### Lost and Found

As the year draws to a close, please have your child look through the Lost and Found to see if they are missing any items. All items left behind will be donated over the summer.
